RE: PROFESSIONAL INDEMNITY INSURANCE RENEWAL

Dear Practitioner

**DON'T FORGET THAT YOUR PRACTICE'S PREMIUM RATING
INFORMATION FORM IS DUE TODAY**

If our records show that we had not yet received your practice's completed ePRIF by 7.30am, Friday 5 February 2010, you will have received a reminder email the morning of Friday 5 February or a letter will be sent by post.

If you have completed your PRIF and submitted it to LawCover since this time, please disregard this notice.

You should have received a letter in early January containing your law practice's unique login and password for the online PRIF (ePRIF). Please complete and submit your law practice's ePRIF by **today** (Friday 5 February 2010) via the secure login on the home page of the LawCover website (www.lawcover.com.au).

LawCover requires the underwriting information requested in the PRIF to determine your law practice's Compulsory Professional Indemnity Insurance premium for 2010/2011. If you do not provide this information, your law practice may be charged a premium substantially higher than you might otherwise have to pay.

If you have not received a letter with your secure login details for ePRIF, have misplaced it, or if you prefer to complete a paper PRIF as in previous years, please contact LawCover **urgently** toll free on **1800 650 748**. We have also posted some frequently asked questions on our website www.lawcover.com.au which may assist you in completing the form.

If you have any questions in relation to your law practice's professional indemnity insurance arrangements, please contact one of LawCover's underwriters on **1800 650 748**.
