

Professional Indemnity Insurance (PII) Policy

When reading this Policy, please note the use of specially defined words that appear in **bold** type. There is a list of these words in clause 45. Although the Policy defines the word “we” this word does not appear in bold type. **We draw your attention in particular to clauses printed in red.**

Who Is Insured

1. We insure the **law practice**, being:
 - (a) a sole practitioner providing **legal services** on his or her own account;
 - (b) a partnership of **lawyers**;
 - (c) an incorporated legal practice;
 - (d) a **multi-disciplinary partnership**; or
 - (e) an **unincorporated legal practice**.
2. We also insure:
 - (a) a person who is or was a **principal** or **employee** of the **law practice**;
 - (b) a **lawyer** who is or was a shareholder of the **law practice**;
 - (c) a body corporate related to the **law practice** that provides or provided clerical, administrative or management services to the **law practice**; or
 - (d) the estate of each person referred to in clauses 2(a) and 2(b).
3. We do not insure a body corporate that is, or is required to be, a **responsible entity**.

What We Insure

4. We agree to indemnify the **insured** against civil liability for a **claim** that is:
 - (a) made in connection with the provision of **legal services** by the **law practice** in Australia or elsewhere; and
 - (b) first made against the **insured** during the period of insurance or that is deemed under clause 9 to have been first made during the period of insurance.

5. However, we will not indemnify the **insured** if the **claim** relates to a circumstance to which this Policy would otherwise respond which an **insured** notified to us, any other insurer or any other indemnity provider, before the period of insurance.
6. When we agree to indemnify the **insured** for a **claim**, our indemnity also extends to **claimant's costs** and **defence costs**.
7. We do not agree to indemnify an **insured** for any loss suffered directly by an **insured**, including arising directly or indirectly from a **cyber incident**.

Amount Of Indemnity

8. Item 5 of the Schedule sets out the maximum amount of our indemnity for each **claim** for all **insureds**. The maximum amount includes **claimant's costs** and **defence costs**, and is over and above the **excess**. The **excess** is the amount paid or payable by the **law practice** and is not indemnified under this Policy.

Related Claims

9. All **claims** by:
 - (a) one or more claimants that arise from the same act or omission;
 - (b) one or more claimants that arise from one or more related acts or omissions;
 - (c) one or more claimants that arise from one or more acts or omissions in a number of related matters or transactions; or
 - (d) one or more claimants that arise from one matter or transaction

will be treated as a single **claim** and each will be deemed (for the purposes of this Policy and each earlier Policy issued by us to the **law practice**) to be first made during the period of insurance in which the earliest **claim** was first made or notified.

What We Exclude From The Insurance

10. We will not indemnify the **insured** under this Policy when:

- (a) the **claim** arises from:
 - (i) a dispute between current or former **principals** or proposed **principals** or between current or former shareholders or directors of an incorporated legal practice;
 - (ii) the **insured's** activities that constitute auditing of financial reports under the *Corporations Act 2001* (Cth) Chapter 2M (Financial Reports & Audit);
 - (iii) any activity that constitutes the provision of a financial service under the *Corporations Act 2001* (Cth) Chapter 7 (other than an activity that constitutes a referral under the *Corporations Regulations 2001* Regulation 7.6.01(1)(e)) or that constitutes the provision of a credit facility, as defined in the *Corporations Regulations 2001*;
 - (iv) the **insured**, or a **principal**, **employee** or contractor of the **law practice**, being a director or officer of a body corporate (other than a **claim** arising from the **law practice's** provision of **legal services** through any of its directors or officers who are **lawyers**);
 - (v) failure to pay trust money or deliver trust property, or a fraudulent dealing with trust property, where the **law practice** received the money or property on trust in the course of providing **legal services** and where the failure or fraudulent dealing arises from a dishonest act of an associate of the **law practice** (as defined in the *Legal Profession Uniform Law* (NSW) section 6(1));
 - (vi) a contract other than a contract to provide **legal services**, unless liability would have attached in the absence of such contract;
 - (vii) a contract to the extent that it:
 - (A) extends the **insured's** duty beyond exercising the standard of care and skill to be reasonably expected of a **lawyer** in the circumstances; or
 - (B) increases the compensation or damages for which the **insured** are liable for breach of duty beyond the amount payable in tort or under any applicable statute;
 - (viii) a contract or transaction in which the **insured** has or had a direct or indirect financial interest other than an entitlement to receive fees for the provision of **legal services**;
 - (ix) physical loss of, or damage to, property, unless the **claim** relates to property (other than cash, negotiable securities, jewellery, precious metals and stones, art works or antiques) in the **insured's** care, custody and control for which the **law practice** is responsible to a third party in connection with the provision of **legal services**;
 - (x) death or personal injury unless the **claim** is for psychological or psychiatric injury caused by act, error or omission of the **insured** in providing **legal services**;
 - (xi) the consequences outside the control of the **insured** of a terrorist act (as defined in the *Criminal Code Act 1995* (Cth) section 100.1(1));
 - (xii) **war** except to the extent that the **insured's** liability arises, whether directly or indirectly, from an order of any government or public or local authority;
- (b) the **claim** is made against the **insured** by a person because, and only because, the person is or was the **insured's employee** or because the **insured** did not employ the person;
 - (c) the **claim** is for:
 - (i) a refund of any fee or disbursement the **insured** charge a client;
 - (ii) damages or compensation calculated by reference to any fee or disbursement the **insured** charge a client or any non-monetary consideration the **insured** receive for the provision of **legal services**;
 - (iii) payment of costs relating to a dispute about fees or disbursements the **insured** charge a client;
 - (iv) payment of a fine or civil penalty or punitive or exemplary damages;
 - (v) payment of an actual or alleged trading debt;
 - (vi) damages or compensation calculated by reference to any actual or alleged trading debt;
 - (vii) payment of costs relating to a dispute about any actual or alleged trading debt.
- For the purposes of this paragraph, 'disbursement' does not include any amount paid to a barrister or expert;

- (d) the **claim** is by a **responsible entity** in relation to which the **law practice**, or any **principal** in the **law practice**, is a related entity within the meaning of the *Corporations Act 2001* (Cth);
- (e) the **claim** is by a corporation that has issued or proposes to issue securities (within the meaning of the *Corporations Act 2001* (Cth) section 92(2)) to the public, and the **law practice**, or one or more of its directors or **principals**, controls the corporation;
- (f) the **claim** is by a **principal**, officer or **employee** of the **law practice** or by a corporation controlled by a **principal**, officer or **employee** of the **law practice** and the **claim** is in connection with the provision of **legal services** by the **law practice** to that person or corporation and that person handled or supervised any part of the provision of those **legal services**.

For the purposes of sub-clauses (e) and (f) 'control' means that the entity, or one of its directors or **principals**, has the capacity to determine the outcome of decisions about the other entity's financial or operating policies, where:

- (i) the practical influence that can be exerted (rather than the rights that can be enforced) is the issue to be considered; and
 - (ii) any practice or pattern of behaviour affecting the entity's financial or operating policies is to be taken into account (even if it involves a breach of an agreement or a breach of trust);
- (g) to do so would or would potentially expose us (or any of our reinsurers) to or put us (or any of our reinsurers) in breach or potential breach of any legal, economic, political or trade sanction, prohibition or restriction in Australia, the European Union, United Kingdom or United States of America.

We Will Reject Fraudulent Claims

11. We will reject a fraudulent claim for indemnity or any part of a claim for indemnity that is fraudulent.

Claims Involving Dishonesty Or Fraud

12. We will not indemnify an **insured** under this Policy when the **claim** arises, whether directly or indirectly, from any dishonest or fraudulent act or omission of that **insured**.

13. We will not indemnify an **insured** under this Policy when the **claim** arises, whether directly or indirectly, from any dishonest or fraudulent act or omission of another **insured** and the first **insured** was knowingly connected with that dishonesty or fraud.
14. In establishing whether an incorporated legal practice has engaged in dishonest or fraudulent conduct for the purpose of clause 12 each director of the incorporated legal practice must have the requisite state of mind.
15. If we make a payment under this Policy for a **claim** which arises, whether directly or indirectly, from a dishonest or fraudulent act or omission of an **insured**, we have the right to recover payment from that **insured** and from any other **insured** knowingly connected with the dishonesty or fraud.

When The Insured Has To Notify Us

16. **The insured must notify us in writing as soon as practicable of any claim made against them, even if the claim is for less than the excess.**

The Insured Must Not Admit Liability Or Incur Costs

17. The **insured** agree that they will not, without our consent:
- (a) admit liability for a **claim**;
 - (b) settle a **claim**;
 - (c) incur any costs or expenses in connection with a **claim**.

We Have Conduct Of The Claim

18. The **insured** agree that:
- (a) we have the conduct of a **claim** against the **insured**, including its investigation, defence, avoidance, reduction, or, subject to clauses 22 to 25, settlement or any appeal;
 - (b) we have the right to appoint **lawyers** to act in the conduct of the **claim**;
 - (c) we have the right to refer a **claim** to any dispute resolution process and, subject to clause 22, to settle it as part of that process; and
 - (d) we have the right to conduct the **claim** in the name of the **insured**.
19. If the **claim** is for less than the **excess** the **law practice**:
- (a) may assume the conduct of the **claim** with our prior written consent and must do so within 14 days of receiving written notice from us requiring it to do so; and

- (b) may settle the **claim** with our prior written consent.

Duty To Co-Operate

- 20. **The insured agree, without charge to us, to:**
 - (a) give us and any investigators and **lawyers** employed or appointed by us all information, documents and assistance we reasonably require; and
 - (b) co-operate fully with us, and any investigators and **lawyers** employed or appointed by us.
- 21. The **insured** further agree to waive any **claim** for legal professional privilege or confidentiality to the extent only that the privilege or confidentiality would otherwise prevent **lawyers** employed or appointed by us from disclosing information to us.

Deciding Whether To Settle

- 22. We will not settle any **claim** against any **insured** without seeking the prior consent of that **insured**. However, if that **insured** does not accept or does not respond to our recommendation for settlement, then, at our option, either:
 - (a) we may notify the **insured** that the **insured** have 14 days (or in case of urgency, a period less than 14 days) to provide consent to the settlement after which time the **insured** may assume conduct of the defence of the **claim**, the entitlement of all **insureds** to **defence costs** will cease and our liability to all **insureds** for that **claim** will be limited to the amount of the recommended settlement plus **defence costs** up to the date of the notice; or
 - (b) we may notify the **insured** that the **insured** have 14 days (or in case of urgency, a period less than 14 days) to request that an opinion be obtained from a **lawyer** under clause 35. If a request for an opinion is not made, or if an opinion is obtained and the **lawyer's** opinion is that the **claim** should be settled, in either case the **insured** will be deemed to have consented to settlement and we may settle the **claim**.

Deciding Whether To Appeal

- 23. We will make a decision whether or not to appeal, and we will provide notice to the **insured** of that decision.

- 24. If the **insured** object to our decision regarding an appeal, the **insured** have 14 days after receiving notice of our decision within which to notify us that they require an opinion from a **lawyer** under clause 35. However, in case of urgency, we may require the **insured** to notify us within a shorter period specified by us in writing.
- 25. If the **insured** do not notify us under clause 24 they will be deemed to have agreed with our decision regarding an appeal.

Payment Of Excess

- 26. The **law practice** agrees to pay the **excess** to us or as we direct.
- 27. The **excess** becomes due and payable:
 - (a) if the amount shown in Item 4 of the Schedule does not refer to **defence costs**, on settlement, judgment or compensation order; or
 - (b) if the amount shown in Item 4 of the Schedule refers to **defence costs**, progressively within 28 days of receipt of a valid tax invoice for **defence costs** and the balance on judgment, compensation order or settlement if **defence costs** are less than the amount shown in the schedule.
- 28. The **law practice** as constituted at the time of inception of the Policy is responsible as between us and the **insured** for the payment of the **excess**.

We May Reduce Indemnity For Costs

- 29. When a **claim** is in relation to a mix of matters, and we indemnify the **insured** for some but not for others, we may reduce the amount of **defence costs** and **claimant's costs** we pay to a proportion that we determine reflects an amount fairly attributable to the matters we indemnify the **insured** for having regard to the value of the proportion of the matters we indemnify the **insured** for and those we do not. We will notify the **insured** of our determination.
- 30. If the **insured** disagree with our determination under clause 29, the **insured** have 14 days after receiving notice of our determination to notify us that they require an opinion from a **lawyer** under clause 35 to resolve the dispute. If the **insured** do not notify us under this clause, they will be deemed to have agreed with our determination.

Breach

31. If an **insured's** breach of this Policy substantially prejudices our conduct or settlement of a **claim**, that **insured** will indemnify us to the extent that the breach has prejudiced our interests, but such indemnity does not extend where our fraud, negligence or wilful misconduct has contributed to the breach.

Subrogation

32. If we make a payment under this Policy, we are subrogated to all the **insureds'** rights of contribution, indemnity or recovery, without their consent. However, we will not exercise our right of subrogation against an **employee** except in the case of that person's dishonesty or criminal act or omission.

33. The **insured** agree not to surrender any right to, or settle any **claim** for, contribution, indemnity or recovery without our prior written consent.

Dispute With Another Insured

34. If there is a dispute between the **law practice** or an **insured** and another person or entity for whom we issued a policy of insurance, including a Run Off Policy, and the dispute relates to a **claim**, including the notification of a **claim** or the conduct of a **claim**, the following procedure applies:

- (a) we will notify the relevant persons or entities that the dispute exists;
- (b) we will request an opinion from a **lawyer** under clause 35.

Lawyer's Opinion

35. The procedure for obtaining a **lawyer's** opinion is as follows:

- (a) we are both to agree on the choice of a **lawyer**; if we cannot, the President for the time being of a **law society** is to appoint a **lawyer**;
- (b) we may each make written submissions, but not oral submissions;
- (c) the **lawyer** will provide an opinion as an expert, not as an arbitrator;
- (d) in the case of **defence costs**, the **lawyer** will have regard to clause 29;
- (e) in the case of an opinion as to whether a **claim** should be settled or an appeal should be pursued the **lawyer** must take into account the legal issues in the **claim** and the future **defence costs**;

(f) in the case of a dispute between the **insured** and another person or entity for whom we issued a policy of insurance, including a Run Off Policy:

- (i) the **lawyer's** opinion must state:
 - (A) which, if any, of those persons or entities is likely to be held liable to the claimant (whether or not a **claim** is made against all of them by the claimant); and
 - (B) if more than one person is likely to be held liable, the proportional liability of each of them;
 - (ii) the **lawyer** is to base the opinion on what the **lawyer** believes, in their professional judgment, to be equitable and appropriate in the circumstances;
- (g) we share the **lawyer's** fee for the opinion equally.

36. We both agree to be bound by the **lawyer's** opinion.

No Right To Avoid Or Cancel The Policy

37. We will not cancel or avoid the Policy.

Set Off

38. We may not set off any amount the **insured** owe us against our liability under the Policy.

Prior Practice Determination

39. The **insured** agree that

- (a) we may determine whether the **law practice** is the successor to a prior practice and we will notify the **insured** of such determination.

40. In so determining, we may have regard to one or more of the following:

- (a) the **law practice** holding itself out as the successor of the prior practice or as incorporating it where:
 - (i) the holding out can be express or implied;
 - (ii) the holding out can be contained in notepaper, business cards, form of electronic communications, publications, promotional material or otherwise, or is contained in any statement or declaration the **law practice** makes to any regulatory or taxation authority;
- (b) the **law practice** employing, or taking on as **principals**, all or a majority of the **principals** of the prior practice;

- (c) the **law practice** employing a majority of the **employees** previously employed by the prior practice;
- (d) the **law practice** acquiring the goodwill, the assets, or the majority of client files of the prior practice; or assuming its liabilities;
- (e) the **law practice** adopting the name formerly used by the prior practice, or a name which substantially incorporates that name;
- (f) the **law practice** carrying on business from the premises of the prior practice;
- (g) any other relevant information that the **law practice** submits.

Additional Premium If Required By APRA Capital Requirements

41. If the Australian Prudential Regulatory Authority (APRA) requires us to increase our capital during the period of insurance, we may require the **law practice** to pay an additional premium. Any additional premium payable by the **law practice** pursuant to this clause will be calculated only to the extent that the increase in capital is related to **law practices** whose principal place of practice is in the same State or Territory as your principal place of practice. We will calculate that additional premium in the proportion the **law practice's** premium bears to the total of all premiums payable by **law practices** we insure in the period of insurance in the same State or Territory as the principal place of practice of the **law practice**. The total of all additional premiums payable by **law practices** pursuant to this clause will not exceed the increase in capital required by APRA.

Address For Notices To Insurer

42. The **insured** may serve any summons, notice, or process on us at the address specified in the Schedule.

Jurisdiction For Dispute With Insurer

43. Any dispute that arises under this Policy will be subject to the laws of the State of New South Wales and the Commonwealth of Australia and to the jurisdiction of the Courts of New South Wales and any Courts of Appeal therefrom.

Interpretation

44. In this Policy, unless the context requires otherwise:

- (a) the singular includes the plural and vice versa;
